COXEY'S PARTY.

Nothing Accomplished at the Convention
in St. Louis.
St. Louis, Jan. 12.—Tuesday evening
the 12 delegates from abroad, reinforced
by twice that number of St. Louis
middle of the roaders and com-
monwealers, discussed a series of
rambling resolutions offered by Carl
Browne. Mr. Coxe was in the chair.
The resolutions call for the formation
of a new party to be called the United
States party, advocating direct legis-
lation, good roads and non-interested
bearing bonds. Discussion developed
three elements in the meeting—popu-
lists, commonwealers and new party
men. The Browne resolutions were
not adopted at a late hour Tuesday
night, the only thing accomplished
was the acceptance of an invitation to
hold their financial convention in
Nashville in 1897.

Serious Accident in a Mine.
WILKESBARRE, Pa., Jan. 13.—A serious
accident occurred Tuesday in No. 2
colliery, operated by the Delaware
& Hudson Coal Co. in Plymouth. A
number of mine repairers had been at
work at the foot of the shaft, 35 feet
from the surface when a pump rod
broke, killing one man and injuring
three others. L. C. Lyons was struck
on the head and instantly killed. Wm.
Whaley escaped with bruises. Wm.
Humphreys had his right leg broken in
two places. Richard Sanders had his
shoulder dislocated.

The Project Abandoned.
NEW YORK, Jan. 13.—It was learned
definitely Tuesday afternoon that the
negotiations which have been pending
for several weeks between manufac-
turers of white paper used by news-
papers to effect a pooling arrangement
whereby the product of all mills should
be handled by a stock company with
head offices in this city has fallen
through and that the project has been
abandoned.

The Event Celebrated.
BUFFALO, N. Y., Jan. 13.—The suc-
cessful transmission of electric power
from Niagara Falls to Buffalo was
celebrated Tuesday night by a banquet
at the Elliott club, which was attended
by about 400 invited guests, among
them many of the most famous elec-
tricians, inventors, manufacturers and
capitalists of the age.

Senator Platt to Succeed Himself.
HARTFORD, Ct., Jan. 13.—The repub-
lican caucus of the general assembly
Tuesday nominated Senator Platt to
succeed himself for six years. The
democratic caucus nominated Jos. B.
Sargent, of New Haven.

Consul Attacked.
BANGKOK, Jan. 13.—Siamese soldiers
assaulted the American vice consul, E.
V. Kellett, without any provocation,
according to affidavits by European
witnesses. Siam ignores the protest
of the United States minister resident
and Consul General John Barrett. No
American gunboat has been here for
five years.

BARRING THE MOTHER-IN-LAW.

He (ecstatically, after kissing her)—
Sweet lips, that, like the blushing rose,
tempt one to taste the hidden pleasures!
She—Ah, yes! but with the rose there
sometimes goes a thorn!
He—Well, but yours need not live
with us!—Up-to-Date.

GIVING HIM A BROAD HINT.

Augustus (who has stayed much be-
yond the orthodox hour)—So you don't
admire men of conservative views like
myself, Miss Rosy?
Miss Rosy (glancing at the clock)—
No, indeed; I prefer men who have some
"go" in them.—N. Y. Tribune.

SCRIBNER'S MAGAZINE A Red-Letter Year for 1897

THE ENTIRE NOVELTY of many of the
plans for 1897 is noticeable. For instance,
the series devoted to
"LONDON AS SEEN BY CHARLES
DANA GIBSON." Mr. Gibson has not
before appeared as a writer. He visited
London last summer for SCRIBNER'S MAG-
AZINE, for the purpose of depicting with pen
and pencil those scenes and types which the
huge metropolis presents in endless variety.
Of like novelty is the first considerable
NOVEL BY RICHARD HARDING
DAVIS, "Soldiers of Fortune." The hero
is one of the most vigorous men that Mr.
Davis has drawn. Illustrated by C. D. Gib-
son.
"THE CONDUCT OF GREAT BUSI-
NESSES." A beautifully illustrated series
of articles of which the following are al-
ready completed:
"The Great Department Store."
"The Management of a Great Hotel."
"The Working of the Bank."
"A Great Manufacturing."
"UNDERGRADUATE LIFE IN AMER-
ICAN COLLEGES." A series of articles
touching upon the life of our older uni-
versities as represented by the doings of the
students themselves.
Judge Henry E. Howland writes on "Under-
graduate Life at Yale."
Sir James Alexander on "Princeton," and
Robert Grant and Edward S. Martin on
"Harvard."
"JAPAN AND CHINA SINCE THE
WAR" will be a most interesting group of
articles richly illustrated.
"THE UNQUIET SEX." Under the title
of "The Unquiet Sex," Mrs. Helen Watson
Moody will write a series of articles:—"Wo-
man and Reformers," "The College-Bred
Woman," "Woman's Clubs," and "The Case of
Maria" (a paper on domestic service).
W. D. HOWELL'S "STORY OF A
PLAY." In this Mr. Howells gives us the
best novel he has ever produced in his de-
lightful vein of light comedy.
GEORGE W. CABLE. In addition to the
action enumerated there will be a series of
four short stories by George W. Cable, the
only ones he has written for many years.
HOW TO TRAVEL WISELY with a min-
imum of wear and tear must be regarded as
an art little understood. Mr. Lewis How-
ell's "Idylls." In two articles, will offer a
variety of useful suggestions and data on
"Ocean and Land Travel." This will be
happily rounded out by an article from
"Travelers One Meets: Their Ways
and Methods." The illustrations by Ameri-
can and foreign artists will be highly per-
tinent.

*It is impossible in a small space to even
mention the many attractive features for 1897.
A beautifully illustrated booklet has been pre-
pared, which will be sent, postage paid, on re-
quest.
